

2020 Annual Bedding Plants

Jim Stakey Greenhouses

Non-GMO

Dear Valued Customers,

We at Jim Stakey Greenhouses appreciate your continued business in 2019 and hope you are as excited as we are for 2020. Our company is always looking ahead to expand our product availability to provide your garden center with the most variety and quality to increase sales.

We are pleased to announce many new additions as well as offering successful plants we have introduced in the past few years.

New in 6.5" Proven Winners pots are long blooming, disease resistant Compact Sunpatiens. Perfect for full to part sun gardens with many colors to choose from. Returning favorites— Mystic Dahlia, Toucan Canna Lilies, Colocasia (Elephant Ear) and Thunbergia (Black Eyed Susan Vine) are now offered in convenient 6.5" PW pots as well. Our very popular Senetti returns in 9" planters.

If you are interested in early sales, please consider our 9" planters of cool weather, colorful Osteospermum (African Daisy), Ranunculus (Persian Buttercup) and Primula (English Primrose).

There are also many new 12" Proven Winners Combination Hanging Baskets this spring including playful pink and yellow 'Sunglasses', contrasting purple, yellow and red 'Fruit Salad', and pastel themed 'Neptune' in lavender, blue and yellow. Each are also offered in 6.5" PW Mix pots and 13" planters.

Returning 8-04 flats and 3.5" pots offer premium bedding plants such as African Marigolds, Cosmos, Nicotiana, Vincas, Zinnias and more... as well as 8-04 flats of Herbs and Vegetables. We also carry 8-06 flats of annual bedding plants, and 3-06 flats of wave petunias.

At Jim Stakey Greenhouses, we are wishing you a successful season and a strong relationship with our company to give you the best season yet!

Sincerely,

Jim Stakey

DRACENA

Spikes are a foliage that provides height and contrast. This hardy plant can be grown in any light level and is fairly drought tolerant. Spikes can be moved indoors for the winter. Can grow to be a large specimen after many years.

Height: 20-36 in.

Spread: 15-18 in.

Spikes

VINCA VINE – *Periwinkle*

Great for brightening up a shady spot, this ground-hugging evergreen, trailing groundcover grows to 18 inches and spreads indefinitely. Blue star-like flowers appear in the spring.

ZINNIA

Zahara Mix

Zahara Series is color-filled, heat-loving and has 20% larger flowers than the market leader, and the first well-balanced mix in a zinnia of this type. Superior disease tolerance make Zahara an excellent choice in the landscape. The plants have very low water needs once established in the ground making the series outstanding in sunny, hot and dry conditions. Count on big retail impact and care-free, season-long shows in landscapes and containers.

Height: 12-18 in. Width: 12-18 in.

State Fair Mix

State Fair Series produces semi-double dahlia –type blooms up to 6” across on tall plants. Color range includes shades of lavender, pink, orange, purple, scarlet, and white. Flowers bloom June to frost. **Attracts Butterflies.**

Height: 48 in. Width: 20-24 in.

Cut and Come Again Mix

Cut and Come Again Series produce continuously until frost. These long-lasting, old-fashioned 2”-2 1/2” blooms are heat-loving and provide endless color for your flowerbeds, containers, and borders.

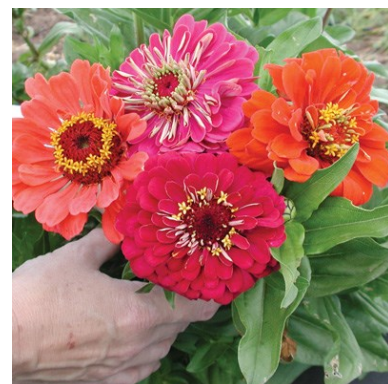

Height: 18-30 in.

Benary Giant Mix

Benary Giant Mix are fully double 4”-5” dahlia-flowered zinnias that make wonderful cut flowers. The mix includes crimson red, lilac, rose, canary yellow, deep red, white and orange. Blooms late summer until the first frost.

Height: 36-48 in.

wave PETUNIA

Easy Wave Series is the most versatile of all large-flowered spreading petunias. An excellent choice for landscapes, gardens, baskets and containers, these easy-to-flower, high-impact plants have minimal maintenance requirements. Mounded, early blooming plants fill out well in the center and stay full all season.
