

# 2020 Combination Guide

Proven Winners®  
**PW**  
*Gold Key*  
Grower

Sunglasses will be featured in the Proven Winners' 2020 national print campaign as well as the Gardener's Idea Book, which is distributed to over 700,000 consumers this spring.

## **Sunglasses**

Superbells Yellow  
Supertunia Lovie Dovie  
Supertunia Mini Vista Hot Pink

## ABOUT PROVEN WINNERS TRICULTURE COMBINATIONS

### On the Cover:

Sunglasses 2020 National Combination

### What is a Proven Winners National Combination?

For eight years, the **National Combination Program** has been a huge success for growers and retailers and a huge hit with consumers. Proven Winners continues that success with the **2020** introduction of **Sunglasses** which features Supertunia Lovie Dovie, Supertunia Mini Vista Hot Pink and Superbells Yellow. Why does this program work? Because it's collaborative. Growers provide design ideas, consumers vote for their favorites, Proven Winners promotes the combo through an extensive advertising campaign tied to the Gardener's Idea Book, and retailers reap the benefits by ordering the combo and the point of purchase to support it. Past best-selling National Combinations include Grand Traverse, Irresistable, Pumpkin Spice Latte, Sparkle and Glow, Strawberry Sauce, Lilac Festival, Summerfest, Above and Beyond, Backyard BBQ, Bahama Beach, Bermuda Skies, Evening Breeze, Lively in Lavender, Santa Belle, and Strawberry Kiss, all grown and available this spring 2020 at **Jim Stakey Greenhouses**.

THE GARDENER'S IDEA BOOK

2020 Gardener's Idea Book

Diamond Frost

Diamond Mountain

Diamond Snow

**National Plant of the Year—Diamond Collection Euphorbia**—Diamond Euphorbia might appear to be delicate but looks can be deceiving. They are actually tough as nails! From North to South and coast to coast, they thrive in sun, shade, heat, drought and poor soil. They are self-cleaning, so no deadheading is needed to keep them in bloom from spring to frost. While most Euphorbias grows best in sun to part sun conditions, you'll be surprised how much shade they can handle. Though they will be fuller with more flowers in sun, they also bloom well in shade where their habit will be somewhat looser. —Proven Winners
