Graceful Grasses Collection

Cyperus 'King Tut'

Graceful Grasses by Mature Height in Inches

CYPERUS: Grass-like plants that must remain consistently wet. Though the crown should never be covered in water, all three varieties can thrive in a few inches of water.

PROVEN WINNERS QUART GRASSES

Acorus Ogon Golden Variegated (Sweet Flag) -Z 5-11 / Ht 6-12"

Acorus Ogon border

Acorus Golden Variegated Sweet Flag is a grass like perennial with butter-yellow sword-like blades. It's a great addition to containers, the border, or the edge of a garden pool or pond, as it likes moist soil.

Carex 'Toffee Twist' (Sedge) -Z 7-10 / Ht 18-24"

Iridescent, slender mahogany foliage drapes gracefully and is especially attractive as an accent plant.

Pennisetum - Setaceum 'Fireworks' ☀️
(Variegated Red Fountain Grass) Z 9-11/ Ht 24-30"

Chosen for its color, texture and performance. 'Fireworks' is a pink and white variegated purple fountain grass with a strong upright, arching habit that prefers full sun and is sure to add strong fall interest to any landscape.

Pennisetum - Setaceum 'Sky Rocket' (Fountain Grass) Z 9-11/ Ht 30-48" ☀️

Green leaves with white striped margins form a beautiful vase-like clump topped with smoky pink, arching plumes that turn cream as they age. Since the plumes are sterile, the plant blooms from midsummer all the way into mid-fall.

'Sky Rocket'

Pennisetum - Rubrum (Purple Fountain Grass) ☀

Z 9-10/ Ht 30-36

Waves of Graceful nodding, soft purple plumes arch up and out from burgundy-tinted foliage in true fountain grass form. Especially dramatic in groups, mass plantings, and as a single focal point.

Purple Fountain Grass

Pennisetum Purpureum 'Vertigo' (Purple Fountain Grass) ☀

Z 9-11 / Ht 36-72"

With rich burgundy foliage, this fast and easy warm season grass reaches 3-6' tall depending on the location and season. A bit too big for a 4.5", but impressive in all container sizes.
